Round: 6A

ANSWER

ANSWER

1. The marine animal populations in U.S. waters are managed by multiple federal agencies. Name four (4) marine mammals that are managed by the U.S. Fish and Wildlife Service and NOT by the National Oceanic and Atmospheric Administration.

Accept any four (4) of the following (2 pts each, 8 pts total):

- *Polar bears*
- *Walruses*
- *Sea otters*
- *Marine otters*
- *Amazonian manatee*
- *West Indian manatee*
- *West African manatee*
- *Dugong*

2. Beyond the management of the marine resources by federal agencies, Congress provides oversight to federal agencies through committee jurisdiction. However, different Congressional committees have authority to provide oversight to the same federal agency. Please name the two (2) committees in the U.S. House of Representatives that have primary jurisdiction over the National Oceanic and Atmospheric Administration.

*House Committee on Natural Resources (3pts) AND
House Committee on Science, Space and Technology (3pts)*

3. Please name the two (2) committees in the U.S. House of Representatives that have jurisdiction over the Department of the Interior.

*House Committee on Natural Resources (3pts) AND
House Committee on Transportation and Infrastructure (3pts)*
